## Profile Milling Dia .3.00-625" Radius Master

Radial Profile Insert for Die & Mold and General Applications

Full radius double-sided insert with 6 cutting edges for rough milling, semi-finishing and finish applications. TOR-6-MILL provides excellent results in facing. A high rake angle provides an easy cut suitable for machining steel and stainless steel.

Also available: high positive single sided insert geometries with 3 cutting edges for 90°, 45°, 17° high feed inserts.
